EXAMINER INTERVIEW SUMMARY

Dear Sir:

On August 19, 2008, the undersigned discussed the status of the above-identified case with Examiner Wang. Examiner Wang issued an Office action on June 25, 2007, but was under the impression that a response to the Office action had not been filed. The undersigned informed Examiner Wang that a response to the Office action was filed on January 25, 2008, and that such filing was reflected in the Image File Wrapper portion of the PAIR system. Examiner Wang indicated that the case was still pending and was going to investigate why the file, including the January 25, 2008, response, had not been delivered to him for examination. The undersigned expects that an Office action will follow.

The undersigned would like to thank Examiner Wang for his efforts in moving this case forward.

Respectfully submitted,
